

5 AGES OF GOLD

Which Mayan God Will You Choose!

5 Ages of Gold is an exciting new Mayan themed, 5x3 reel, 243 ways pays game available for High Definition cabinets. 5 Ages of Gold has a main Free Spins feature, a Wild symbol which substitutes for all symbols except the Free Spins symbol and a Bonus Wild symbol which can award cash prizes or entry to the Free Spins feature.

FEATURE - Free Spins

The Free Spins feature can be activated via 2 different methods. The first is if 3 or more of the Bonus symbols appear in view from left to right starting on reel 1, the Free Spins feature is triggered.

The second is if the Wild Bonus symbol lands in view on reel 3, it opens showing a reel symbol which spins, awarding a prize. If the prize is the Bonus Star symbol the Free Spins feature is triggered.

Choose Your Free Spins!

The player is presented with various combinations of Free Spins and multipliers from which to choose from. More Free Spins can be won during Free Spins.

During Free Spins, any wins involving a Wild symbol are multiplied by the multiplier randomly selected for that spin. The multiplier randomly selected for that spin is shown at the top of the screen. Wild symbols only appear on reels 2, 3 & 4 and substitute for all symbols except the Bonus Star Free Spins symbol.
